

Prohibited Products and Services

Yuumi is committed to providing a safe and responsible marketplace for everyone. To ensure the safety and well-being of our customers, we maintain a list of prohibited products and services. Selling or listing any item on this list is strictly against our policies and may result in account suspension or termination.

Prohibited Categories:

- **Hazardous Materials:** Flammable liquids and gases, Explosives and fireworks, Corrosive materials, Poisons and toxins, Oxidizing agents, Biohazardous materials, Radioactive materials, Compressed gas canisters (except for personal care products like air fresheners)
- **Illegal Goods:** Weapons and ammunition (including replicas), Drugs and narcotics (including prescription drugs without proper authorization), Tobacco products (including e-cigarettes and vaping products), Endangered species or animal products derived from them, Stolen goods,
- **Age-Restricted Products:** Age-restricted products (such as alcohol, knives, and certain video games) will only be allowed with a verified age-verification system in place.
- **Counterfeit Goods:** Any product that infringes on the intellectual property rights of others, including trademarks, copyrights, and patents.
- **Health and Safety Risks:** Products that pose a potential health or safety risk to consumers, even if not explicitly banned by law. This includes products with misleading health claims, untested or unregulated medical devices, and products with known safety hazards.
- **Deceptive or Misleading Products:** Products with misleading descriptions, false claims, or hidden fees, Products that are significantly different from their advertised appearance or functionality.
- **Other Restricted Items:** Plants and seeds with import restrictions in your region, Live animals, food items with a short shelf life or requiring specific storage conditions, Services that are illegal or violate Yuumi's policies

Additional Considerations:

- This list is not exhaustive, and Yuumi reserves the right to prohibit other products or services at our discretion.
- If you are unsure whether a product is allowed on Yuumi, please contact our customer support team for clarification.

- Selling prohibited items may result in the removal of your listings, suspension or termination of your selling privileges, and potential legal action.

Creating a Safe Marketplace

By adhering to these guidelines, we can create a safe and enjoyable shopping experience for all Yuumi customers. We appreciate your cooperation in maintaining a responsible marketplace environment.
